

## **NiCHE Case Study – Lost Source Antibiotic Project**

A US based Diagnostic Supply Company contacted NiCHE Materials Ltd as part of a 'lost source' project. Since the start of the project, NiCHE has sourced and supplied 30+ Antibiotics for R&D (non- human use).

- ◆ Customer first contacted NiCHE Materials Ltd during May 2012 for various Antibiotics.
- ◆ NiCHE found suitable sources and supplied various samples for testing and approval.
- ◆ Materials requested include 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> Generation Cephalosporin and various Pennicilins to various specifications including EP/USP.
- ◆ Bulk and semi-bulk orders have been raised on NiCHE in quantities ranging from 30g to 80kg.
- ◆ Bulk re-pack has been requested for various items in the range and single batch re-packs have been offered to various facilities globally.

### **Outcome**

NiCHE Materials Ltd continues to supply many of these products in bulk and also as custom re-packs.
